the first extensive study of the african american community under colonial spanish rule black society in spanish florida provides a vital counterweight to the better

known dynamics of the anglo slave south jane landers draws on a wealth of untapped primary sources opening a new vista on the black experience in america and enriching our understanding of the powerful links between race relations and cultural custom

the british left and spain returned to florida after the american revolution a short river called wakulla offered direct trading routes to the north american interior and the caribbean the fertile muskogean lands west of the united states boundary in what were known as the spanish borderlands lured white squatters and british and american traders their interactions with the creek indians and the role of two creek intermediaries called william and john kennard with a trading outpost on the wakulla river fed a rivalry that split the creeks into two who would survive

trade and privateering examines the illegal yet highly profitable and mutually beneficial trade between spanish florida and the english colonies on the eastern seaboard in the mid 18th century in st augustine the arrival of subsidies from spain was erratic causing shortages of food and supplies so authorities ignored the restrictions on trade with foreign colonies and welcomed british goods likewise the british colonists sought spanish products from florida especially oranges but when england and spain became declared enemies in the war of jenkins ear and the french and indian wars this tacit trade arrangement was threatened and the result was a rise of privateering in the region rather than do without spanish goods the english began to attack and capture spanish vessels with their cargoes at sea likewise the spaniards resorted to privateering as a means of steadily supplying the florida colony harman concludes that both willingly and unwillingly the english colonies helped their spanish neighbor to sustain its position in the southeast

the classic history of the spanish frontier from florida to california

the two lists contained in this volume concern the history of the territory included within the boundaries of the present continental united states page v

often played down in favour of the larger competition for empire between england and france the influence of the spanish in english carolina and the english in spanish florida created a rivalry that shaped the early history of colonial south east america this study is the first to tell the full story of this rivalry

the publication of the encyclopedia of religion in the south in 1984 signaled the rise in the scholarly interest in the study of religion in the south religion has always been part of the cultural heritage of that region but scholarly investigation had been sporadic since the original publication of the ers however the south has changed significantly in that christianity is no longer the primary religion observed other religions like judaism buddhism and hinduism have begun to have very important voices in southern life this one volume reference the only one of its kind takes this expansion into consideration by updating older relevant articles and by adding new ones after more than 20 years the only reference book in the field of the religion in the south has been totally revised and updated each article has been updated and bibliography has been expanded the ers has also been expanded to include more than sixty new articles on religion in the south new articles

have been added on such topics as elvis presley appalachian music buddhism bill clinton jerry falwell fannie lou hamer zora neale hurston stonewall jackson popular religion pat robertson the ptl sports and religion in the south theme parks and much more this is an indispensable resource for anyone interested in the south religion or cultural history

in the late fall of 1597 guale indians murdered five franciscan friars stationed in their territory and razed their missions to the ground the 1597 guale uprising or juanillo s revolt as it is often called brought the missionization of guale to an abrupt end and threatened florida s new governor with the most significant crisis of his term to date interpretations of the uprising emphasize the primacy of a young indian from tolomato named juanillo the heir to guale s paramount chieftaincy according to most versions of the uprising story tolomato s resident friar publicly reprimanded juanillo for practicing polygamy in his anger juanillo gathered his forces and launched a series of violent assaults on all five of guale territory s franciscan missions leaving all but one of the province s friars dead through a series of newly translated primary sources many of which have never appeared in print this volume presents the most comprehensive examination of the 1597 uprising and its aftermath it seeks to move beyond the two central questions that have dominated the historiography of the uprising namely who killed the five friars and why neither of which can be answered with any certainty instead this work aims to use the episode as the background for a detailed examination of spanish florida at the turn of the 17th century viewed collectively these sources not only challenge current representations of the uprising they also shed light on the complex nature of spanish indian relations in early colonial florida

Eventually, **Black Society In Spanish Florida Jane Landers** will categorically discover a other experience and deed by spending more cash. nevertheless when? reach you tolerate that you require to get those every needs taking into account having significantly cash?
