sometimes all you need is a fresh perspective and through heart wrenching short stories and gripping news headlines author pam reaves unmasks the devastating difference between true love and toxic relationships this isn t your grandma s love story but a modern day look at the complications of lustful love brought on by

fairy tale expectations scripted tv romances and melodramatic movie magic have jaded our society's perspective on love and helped to raise our overwhelming divorce rates. Pam provides fictional examples that clearly define for readers what real love is and what just love of an idea is. This straight talking style of writing will help you gain the courage to right the romantic wrongs in your life and embrace the kind of love that you deserve.

The first book in a sexy new rom com series about a group of gloriously geeky ladies. Adriana Catalano's own guts hate her or at least it feels that way ever since she was diagnosed with Crohn's disease, a chronic inflammatory illness of the digestive tract. She's done her best to keep herself healthy, unfortunately that hasn't saved her from the embarrassment of trying to figure out how to explain to a date why having dinner with him results in her spending thirty minutes in the ladies room. When the tempting and mysterious Declan Maguire starts coming in to the library where Adriana works, crushing on him seems like a safe indulgence. He has a girlfriend so there's no need for her to deal with the messy reality of an actual relationship. Plus how can she possibly resist him? He's everything she could ever want in a guy: ruggedly handsome, kind, funny, charming, and almost as avid a bookworm as she is. By the time Adriana finds out that Declan is in fact available, she's deep under his spell. But is asking him out a good idea? Casual dating isn't her style, so is it fair to ask him to take on the lifelong responsibility of dealing with her illness to make matters even more complicated? Her condition isn't the only challenge they have to overcome. For months Declan hasn't looked well, either, and the closer he and Adriana get, the more he seems to hold himself back. Is their relationship strong enough to survive the obstacles life throws in their path, or will their problems tear them apart?
